Today, there are more than 9 million Canadians living with diabetes or prediabetes. With more than 20 people being newly diagnosed with the disease every hour of every day, chances are that diabetes affects you or someone you know.

Your donation counts

Every dollar is gratefully received and wisely invested in the fight against diabetes. Here are just some examples of what your donations mean to those we help.

\$50

Provides 25 healthcare professionals with tool kits so they can help their patients understand diabetes and its management - supporting literally hundreds of people with diabetes.

\$100

Provides up to 75 people with support for questions related to diabetes management, programs and services.

\$200

Sends a child to one of our diabetes summer camps for a day to learn about diabetes self-management in an enjoyable environment with support from other kids also living with type 1 diabetes.

\$500

Funds a diabetes research lab for half a day, bringing us closer to finding a cure.

Your event: getting started

Here are a few important things to consider before you start planning your event:

- Share your story: People are more likely to donate or volunteer their time to help if you let them know why the cause is important to you and the Canadian Diabetes Association needs their support.
- Set realistic goals: Setting a realistic fundraising goal helps motivate your team, gives supporters something to work towards and manages expectations. Create a budget and think of some costs you might incur (rental fees, printing, decorations, etc.) and always track your spending.
- Timing is everything: Review our Community Event Listings (www.diabetes.ca/get-involved/community) before committing to a date to see if there are competing events in your area. Think about scheduling your event to coincide with a special day like World Diabetes Day, Banting's birthday, Diabetes Awareness month, etc.
- Know your audience and use your network: Who do you want to attend your event and how will you secure their support? Be mindful of who is in your network and solicit accordingly. Think about who you can ask to support your fundraising efforts. Tailoring the size of your event to your potential audience helps you narrow options for suitable events and venues.
- Have a question? We are happy to help you! Please visit www.diabetes.ca/contact/regional-offices to locate a Canadian Diabetes Association location near you.

Since 1975, the Association has awarded more than \$120 million in research grants to scientists who have dedicated themselves to the fight against diabetes.

Start fundraising!

Once you have decided what event you want to host, when you want to host it, who you want to attend and what your goal is, it's time to start fundraising!

How to register your event

Please visit: www.diabetes.ca/how-you-can-help/fundraise/my-diabetes-fundraiser to register your event and use the tools on this site to help you along the way.

Collecting donations online

Canadian Diabetes Association has the tools available for community events that will allow for online fundraising; you can even build a group of fundraisers! The online resource can be used to solicit donations in an easy and secure way, track fundraising progress and communicate with donors and fellow fundraisers. To create your own personal or group fundraising page online, please follow these steps:

- 1. Visit: www.diabetes.ca/how-you-can-help/fundraise
- 2. Click on "My Diabetes Fundraiser"
- 3. Select "Create a New Event" or "Create Your Own Event"
- 4. Enter your postal code
- 5. Register an Individual, Group or join Group of fundraisers
- 6. Complete event information
- 7. Accept the Waiver
- 8. Personalize your page
- 9. Solicit donations, send e-mails and share your event
- 10. Keep track of donations, and watch the donations rise

Collecting offline donations

You can collect pledges, cash or cheques, in person at your event (cheques payable to the Canadian Diabetes Association). Please make sure to record the donations and donor information accurately.

▶ **Remember:** Download the Donation Form from "My Diabetes Fundraiser" to get started! Collect all of your donations and send these along with your donation form to your local Canadian Diabetes Association office within 30 days of the event.

Tax receipting

Donations made online will be issued an electronic tax receipt and will be sent directly to the donor via e-mail. For all other donations (cash/cheque) of \$15 or more, the Canadian Diabetes Association will issue an official tax receipt upon request. Please use the donation form to track offline donations as full name and address, telephone number and amount of donations are required for each individual or corporate donor.
